

Jesus you are a real bunch in  
Dallas. Your chief witness is gone and  
did you nothing. Jack died by the  
code. Close mouthed. If he is to go  
down so & here Lee will have to  
also for me one saw Lee, Jack as any  
one else in the building. Only know  
someone P. (more than one) shot and killed  
a rot and rid the country of a just  
just like the old Piper did. Something  
a monument will be erected for Lee and  
Jack is here. and a big crowd dropped  
in what is left of the trucks not and  
leaves it to bits. These folks are well  
under way for the same audience for  
RFK and his and in the time they  
both will just it. no more Kennedy in  
White House. They both better just  
and live longer especially RFK for he is

watching our chance when I said expected  
to be could jump off the rat facelike  
to others should be easy and will be  
Heard to this and my other letter so  
as to show to new men and suggested  
writers when time comes.

other involved in the killing of the  
rat Sir. but don't think he will find
